

Industrial Attachment

SAESL works closely with various **local** educational institutions (Universities, Polytechnics and ITE) for industrial attachment.

Students who are interested to be attached with us, **kindly approach the relevant department in your school for such placements.**

Requirement:

- Student from Singapore tertiary educational institution
- The industrial attachment programme must be part of course curriculum
- The school has obtained Singapore CPF exemptions for the student
- The school has Public Liability Insurance and will indemnify SAESL
